

John Kennedy said that to whom much is given, much is expected. It is that thought that is the reason I want to serve on the VCOS Board. I know it sounds corny, but it is the truth. Being a volunteer started me on a road 32 years ago that I have joyfully walked since. Being involved with a successful combination system is what has given me all that I have today. The plain fact of the matter is that I owe something back, and I am actively seeking ways to pay that debt.

You see, I am a true believer, in volunteerism and in what we do everyday. To me it is all not just words, it is a vocation, and I believe I can contribute.

I hope that you will give me the opportunity to serve you and our shared cause.
