

New for 2009!

Solutions Showcase

Information & Application

ABOUT THE SOLUTIONS SHOWCASE

Exhibitors and Partners: You spoke and we listened. You told us you wanted speaking opportunities, you wanted to be seen as a resource for attendees for new ideas and solutions and you wanted a forum to show attendees your products beyond the booth.

For the first time ever, IAFC is offering exhibitors the opportunity to get direct access to FRI attendees to present your solutions. The new Solutions Showcase will give attendees the chance to learn firsthand from the experts (you!) how your products and services can solve issues their departments are facing. Presentations will take place during dedicated meeting times on August 27 and 28. Each presentation will be approximately 10-15 minutes, plus Q&A.
