HEALTH & SAFETY DIRECTIVE # 07-03
5/8/07

TO: All Personnel
FROM: District Chief Michael McNamee
RE: Fit Testing

The Face Piece Fit Testing program is part of the department's annual Personal Protective Equipment (P.P.E.) inspection and clothing allowance approval process. It is currently being conducted by the S.C.B.A. Repair Unit (S.R.U.).

Staff division commanders, company officers and acting company officers, shall schedule an appointment with the S.R.U. (FF Kevin McDonald) for the completion of fit testing of personnel under their command.

Scheduling may be accomplished by emailing WFDSRU, contacting the SRU by radio on the Staff channel (#7) or dialing # 1846.
