CHALLENGE

The safety committee can often be the vehicle that helps address organizational issues. This group provides an opportunity to involve labor and management to discuss and resolve numerous issues. The time allocated fro these meetings is well worth it!

Let's make sure our safety committee gets the support needed to make meaningful contributions to our district!

DISCUSSION

- Does our department have a safety committee?
- How effective is it, does it make a difference?
- Is the safety committee involved in the accident review process?
- How does management support the suggestions made by the safety committee?
- What can we do to make our safety committee more effective?

The greatest asset of the fire service is our people; protect them!
