

Federal & Military Fire Service Section

- SECTION FIVE – OFFICERS:
- Paragraph V
- All Regular members of the Section, **regardless of the federal or military agency they represent are eligible to elect** ~~from their respective federal agency, will elect their~~ representatives to the Board of Directors. When possible, the DoD representatives will represent different service components. However, if no service component representative is elected the board may appoint an additional representative from an already represented component. At no time will one service component hold a majority on the board to prevent any one component from persuading section votes. Any vacancy of the Board of Directors will be filled by a majority vote of the Board of Directors of the Section until the next scheduled election of officers. All officers will be inducted into their respective positions during the Annual Section Meeting.
