# SAFETY MESSAGE

## OPERATION INDEPENDENCE

DATE: February 11, 2021

TIME: 0700-0700

**ENSURE THE CORRECT MEDICATION FOR YOUR CLINIC IS BEING DRAWN UP AND DISPENSED**

**ALL MEDICATION ERRORS AND NEEDLE STICK INJURIES SHALL BE REPORTED TO THE VACCINE GROUP SUPERVISOR, THE DEPUTY POD DIRECTOR, AND THE SAFETY OFFICER.**

**Training:** Work within your scope of duties and job description. Vaccinators need to follow the proper vaccination procedure in order to avoid unnecessary medication errors and sharp injuries. Make sure all personnel are properly trained in their assigned duties and understand what is expected of them from their supervisor.

**Personnel:** Conduct daily self-evaluations. Manage yourself and those around you for illness and fatigue. Ask for a break if you need one. Drink fluids frequently and eat nutritious food regularly to help maintain good health. As fatigue increases, bad decisions and injuries tend to increase also. Stay engaged and make smart decisions.

**Protective Equipment:** Always wear face covering. Personnel assigned to Clinic Stations should utilize enhanced PPE. Individuals assigned to vehicle traffic areas should wear high visibility vests.

**Maintain Situational Awareness:** "If You See Something, Say Something"

**Communication Plan:** Supervisors ensure you and your crew know the communication plan. All workers should be familiar with the communication plan for reporting a medical emergency. Clear communication promotes safety.

**Sharps Injury:** While performing injections there is always the possibility of a needle stick. All needle stick injuries must be reported to the Vaccine Group Supervisor. The Deputy POD Director and Safety Officer must also be notified.

**Vehicle Traffic:** HVSV must be worn all times while working around vehicles. Avoid vehicle traffic areas when able. Use designated pedestrian walkways. Watch out for motor vehicles entering and exiting POD sites. Keep an eye out for members of the public as they walk to and from the parking lot among moving vehicles. When directing vehicles to designated areas do not stand in front of vehicles, direct vehicles from the side of their path of travel.

### Covid-19 Precautions:

- Keep your distance. Wear a mask when less than 6' from other people.
- Wash your hands.
- No group gatherings without masks.
- Don't show up to work sick.
- Do daily health evaluations on your personnel.

### Clinic Stations:

- Wear enhanced PPE while giving vaccinations.
- Follow the established vaccination process.
- Immediately place used needles into sharps container.
- Maintain clean work areas.
- Avoid fatigue/complacency in vaccinating personnel to avoid needle sticks.
- Keep unnecessary personnel out of Clinic Stations.

Incident Safety Officer: Kevin Chao/Jon Fugitt

Incident Commanders: M. Petro/Dr. Bredehoft

**RISK ANALYSIS (ICS215a)**  
for  
**OPERATION INDEPENDENCE**

POD	HAZARDOUS ACTIONS/CONDITIONS	MITIGATIONS / WARNINGS / REMEDIES
ALL	<b>GENERAL COVID PRECAUTIONS</b>	Keep your distance. Wear a mask when less than 6 feet from other people. Wash your hands frequently and don't touch your face. No group gatherings without masks. Don't come to work if you are sick. Complete a Daily Self-Monitoring check each morning. If you become sick while at work, then tell your supervisor and ensure you don't get other workers sick.
ALL	<b>VACCINATIONS</b>	Follow the established vaccination procedure. Wear enhanced Personal Protective Equipment while administering vaccines. Ensure proper medication and dose to avoid medication errors. Immediately dispose of used needles into sharps container to avoid needle sticks. Maintain clean Clinic Stations and disinfect frequently. Avoid fatigue/complacency in vaccinating a large volume of people by taking breaks as needed. Keep unnecessary personnel out of Clinic Stations. While performing injections there is always the possibility of a needle stick. <b>Ensure proper needle handling measures are in place to avoid accidental needle sticks.</b>
ALL	<b>PROTECTIVE EQUIPMENT</b>	Always wear the appropriate level of PPE based on your work activity. Wearing masks during this pandemic is the minimum level of PPE that should always be worn. Utilize enhanced PPE when working in Clinic Stations. <b>Wear high visibility traffic vests if directing traffic of working around moving vehicles.</b>
ALL	<b>TRAINING</b>	All personnel must receive proper training for the duties personnel are assigned to do. This includes providing clear job description, required materials or PPE, along with clear work process and guidelines to work within. All personnel need to work within their scope of duties based on the job description.
ALL	<b>FATIGUE / COMPLACENCY/ FRUSTRATION</b>	This pandemic is exhausting and frustrating for everyone, we all need to realize we are fatigued and frustrated from it. Stay healthy by getting adequate sleep, eating nutritious meals, taking vitamins, and conducting daily self-evaluations. Remain flexible during stressful times and work together because no one has ever dealt with a pandemic at this magnitude.
ALL	<b>BRIEFINGS</b>	Conduct thorough briefing for all personnel each day so that clear leader's intent is given and expectations are clearly understood. Clearly communicating the plan and answering all questions will help eliminate confusion and promote safe efficient work sites.
ALL	<b>VEHICLE TRAFFIC</b>	Stay out of vehicle traffic areas unless you are assigned to traffic control. Follow any designated traffic control plan if one exists. Use extra caution when backing a vehicle around the dynamically active work sites. <b>When directing vehicles, DO NOT stand in front of the vehicle, stand to the side and direct the vehicle where you want them to go.</b>
ALL	<b>DISINFECTING WORK AREAS</b>	Maintain a clean work area and disinfect on a regular schedule or more frequently if needed. If someone sick is found at the workplace, immediately clean the area they worked.
ALL	<b>COMMUNICATION</b>	Clear communication always promotes safe, efficient, and effective working conditions. Over communicate with personnel, ask yourself who else needs to know the information I have, then close the loop on communications so safe efficient work continues. Ensure all personnel with a radio knows how to operate the radio and is briefed on the communication plan.

ALL	<b>SITE SECURITY</b>	Provide 24 hr. security at all POD sites. Post security officers at all access points. Check individuals ID and confirm they have an appointment prior to entry into the POD. Utilize barriers and cones where needed. Maintain an organized flow of people and traffic. Ensure communication between security team and POD personnel. Adjust plan as needed to ensure the overall security of the site. "See Something, Say Something."
ALL	<b>COLD WEATHER/RAIN</b>	Review weather forecasts and conditions. Continually monitor weather forecast in your area, as things can change quickly. Exposure to cold/wet weather while working outside is a concern. Be prepared for cold weather. Follow work / rest guidelines. Propane heaters are not permitted inside tents or buildings. Maintain Situational Awareness!
ALL	<b>EXTREME WINDS</b>	When winds are expected, ensure signs, tarp, tents, EZ-ups, or any other potential projectile is secured down.
ALL	<b>HAZARD TREES</b>	Identify and flag any hazard tree. Ensure adequate space is flagged and entry into that area is prohibited to ensure safety for those in the area. Trees may be prone to falling from wind after rain.
SOKA	<b>WILD ANIMALS</b>	Please do not feed or pet any of the wild animals (ie: deer). Ensure adequate distance is between you and any wild animal you may encounter. Notify your Deputy POD Director of the location and type of animal.
ALL	<b>GOLF CART/FORKLIFT USE</b>	Ensure equipment is inspected and safe to use. Golf cart and forklift use is prohibited in clinic area and areas with high volume of pedestrian traffic. Ensure operator is trained and certified to operate. Ensure operator has proper PPE.
ALL	<b>TRIP HAZARDS/SLIP &amp; FALLS</b>	Provide pedestrian traffic plan to avoid trip hazards. In areas where trip hazards cannot be avoided, mitigate trip hazards where possible utilizing ramps, cord coverings and flagging. Place line monitoring personnel in areas where trip hazards cannot be avoided to assist those walking by hazard. Watch your footing. Ensure spills are flagged and cleaned up ASAP. Ensure a carpet is in place at the entry into the buildings when outside area is wet. Utilize caution/wet floor signs when floor is wet.

**County of Orange Volunteer Assumption of Risk and Waiver of Liability**

**Relating to COVID-19 Vaccination Site**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic, is extremely contagious and is believed to spread mainly from person-to-person contact, some of which may be asymptomatic. The County of Orange ("County") has put in place preventative measures to reduce the spread of COVID-19. Part of this effort includes the use of volunteers to assist with services at County Vaccination Sites. Volunteers may be exposed to, among other harmful situations, COVID-19. **The County cannot guarantee that you will not become infected with COVID-19.** Further, participation in the Vaccination Site program could increase your risk of contracting COVID-19 and transmitting it to others.

By signing this agreement, I \_\_\_\_\_ acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by participating in the County's volunteer program and that such exposure may result in personal injury, illness, permanent disability, and death as well as transmission of the virus to other individuals. I understand that the risk of becoming exposed to or infected by COVID-19 while volunteering for the County may result from the actions, omissions, or negligence of myself and others, including but not limited to County employees, volunteers and members of the public.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability and death), illness, damage, loss, claim, liability or expense, of any kind, that I may experience or incur in connection with my participation in the Vaccination Site program. On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless the County of Orange and the Orange County Fire Authority and their respective boards, officers, employees, and agents its elected and appointed officials, officers, agents and employees, (collectively, the "County Parties") from any and all claims for damages and/or liability of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the County Parties, whether a COVID-19 infection occurs before, during or after my participation in the program. I certify that I am physically fit, have sufficiently prepared for participation in the program and have not been advised to not participate by a qualified medical professional. I certify that there are no health-related reasons or problems which preclude my participation in this activity or event. I acknowledge that this waiver and release of liability form will be used by the County Parties, and that it will govern my actions and responsibilities at said activity or event, and without this waiver and release the County Parties would not permit this activity.

I represent that I do not currently exhibit, and have not exhibited at any point in the last 72 hours, any of the symptoms of COVID-19, which, pursuant to CDC guidelines, include (but may not be limited to), fever, cough, or shortness of breath. I agree that if I begin to develop any of these symptoms or test positive for COVID-19, I will immediately advise the County and will immediately cease all volunteer work. This waiver and release of liability shall be construed broadly to provide a release and waiver to the maximum extent permissible under applicable law and if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect. It is further agreed that no oral representations, statements or inducement apart from the foregoing written agreement have been made.

**I CERTIFY THAT I HAVE READ THIS AGREEMENT AND WAIVER AND RELEASE OF LIABILITY, KNOW, UNDERSTAND AND AGREE TO BE BOUND BY ITS CONTENTS, AND SIGN IT OF MY OWN FREE WILL.**
