DESCRIPTION

This Award is presented annually to an individual who has played a key role in creating and/or promoting nonclinical innovation and achievements in Fire Service EMS management and leadership that has had a positive impact nationally. The Award is named in honor of James O. Page who has been a visionary and a national leader in Fire Service EMS for over three decades.

Individuals nominated must be committed to:

- Creating a positive image for EMS as a whole while being an advocate of the Fire Service.
- Making a difference for the overall good of the Fire Service.
- Committed to furthering and strengthening the role and image of the Fire Service EMS across the country.

The individual nominated must have the following qualities:

- Enthusiasm and dedication toward Fire Service EMS.
- Professionalism and Vision.
- Desire for achievement and drive for excellence.
- Exemplary performance and leadership qualities.
