1. Approval of the December 2020 minutes  
a. Motion to approve December 2020 minutes by Meri-K Appy, second by Chief Adolf Zubia. Motion carries unanimously.

2. IAFC President Chief Carrizzo - Gave an update on IAFC  
a. Spoke on the forward recovery plan within the IAFC – 12-18 month plan  
   i. Strategic plan within IAFC ended in December 2020, it was a two-year plan at the time and it’s time to redo another strategic direction plan  
   ii. Strategic plan is being broken down and moving it to each section and division to work on separate areas. Sections and Divisions will then bring their part of the plan back to the IAFC Board  
   iii. Once reviewed by IAFC Board they will send back out to everyone for a final review  
b. COVID Financial cuts enabled IAFC to balance the budget  
c. In a rebuilding phase  
d. 2021 Budget, only budgeted what we knew was guaranteed to come in, no projections  
   i. Asking Sections and Divisions what we should if we bring in more money than expected to increase the three core functions  
   e. Working solely on our three foundations: Member Representation, Advocacy, and Education

3. Report from the Chair (Andy King)

4. Report from the Vice Chair (Greg Rogers)  
a. CRRL Conference Discussion and Recommendation  
   i. Went back to planning committee with the recommendations that the FLSS board made in the December meeting  
   ii. Planning Committee looked at the multiple options of how to go forward  
      1. Wanted to forward a recommendation to the FLSS board to go virtual
a. Still offer a substantial amount of training with the four different tracks at the same caliber of training that we could offer in person
b. Going in-person would have been a shrunken down version of the training and limits the number of attendees
c. Still working with IAFC conferences staff on how registration will work and if we will charge a fee or not
d. Planning committee has a meeting tomorrow and hoping to provide them with an answer at that time from the FLSS Board

iii. Vickie Pritchett gave an overview of what NFSA is offering FLSS
   1. October 4-8, 2021 Las Vegas, NV
      a. Flexibility of when to offer programs
      2. Allow FLSS to tag on to the contract they have with the hotel, Cosmopolitan in Las Vegas
      3. No financial requirements or consequences for FLSS from a standpoint of food and beverage minimum or meeting room rental, or anything else
      4. Okay with branding standpoint to have FLSS logo and own registration or tag on to go through their system (would be kept separate)
      5. FLSS will be able to have table tops

iv. Chief Adolf Zubia believes that FLSS should move forward with doing the virtual meeting for Spring 2021 proposed by the CRRRL planning committee and look in to working with NFSA and Vickie
v. Chief Shawn Hanson supports moving forward with the virtual conference and believes it is a great opportunity to get in front of a difference audience by jumping on with NFSA
vi. Chief Joe Powers agrees with moving forward with the virtual conference in May and continue to look in to partnership with NFSA
vii. Chief Robert Marshall likes the idea of going virtual, but worried about doing too many meetings so close together and taking attendees away from one group to another
viii. Chief Adolf Zubia asked Vickie Pritchett when the deadline is for having a decision from FLSS and to clarify what the risk concerns are for FLSS.
   1. Vickie Pritchett said there is zero financial risk to FLSS
   2. Ideally NFSA would like to know FLSS’s decision by March so that they can have everything set up when they open registration March 1

   1. CRRL conference – CRR focused
   2. NFSA conference partnership - Code classes, plan review, sprinkler instruction
x. Meri-K Appy – is there an impact on funder relations? Don’t have an answer right now but may want to go out to the sponsors to see if it may be a problem
   1. Chief Greg Rogers doesn’t think we should get into any sponsorships with the partnership with NFSA as FLSS will not have any expenses related to the conference

xi. Chief Robert Marshall motions to move forward with committee recommendation for virtual conference in May, second Chief Ray Reynolds, motion carries unanimously

What Others Are Saying
  • SAMPLE: The Shakers sessions were by far my favorite part. The intentional time to provide discussion platforms was extremely insightful, especially for a couple of "young" chiefs.
