FLSS Board Policy #2

Endorsement of Candidates for IAFC Board Positions

In general the Fire & Life Safety Section Board of Directors will not endorse any candidate for the IAFC Board of Directors, or for any candidates for board positions of IAFC Sections or Divisions, and will not entertain any such motions from the floor at the annual section meeting.

However, if a candidate exemplifies a long history of fire prevention and community risk reduction accomplishments, the Fire & Life Safety Section Board of Directors can endorse a candidate, subject to a 3/4 affirmative vote of the FLSS Board of Directors voting members. If so requested, the candidate will need to participate in an interview process conducted by selected members of the Fire & Life Safety Section Board of Directors prior to the Board vote.
