IAFC/IF&S Scholarship Guidelines

Applicant Criteria

- Applicant must be a current member of the International Association of Fire Chiefs
- Applicant must currently be performing or have potential to be assigned to an Industrial fire, safety or emergency response role.
- Consideration shall be given to those applicants whom are currently assigned as fire, safety or emergency responders.
- The cost associated with the scholarship shall be paid by IAFC /IF&S Section directly to school or program enrolled into.

Application Procedure

- Submit a completed IAFC/IF&S Application and the following documents. Please do not use staples.
- Provide two letters of Endorsement (can be from within applicants organization) acknowledging applicant's demonstrated proficiency in a fire, safety or emergency response.
- Provide current curriculum syllabus or vitae.
Provide a document
 - A brief description of the course;
 - How the course will benefit:
 - Your fire, safety or emergency response career,
 - Your agency.
- Applicants whom are not currently serving in the capacity as outlined in application may be considered but must fully explain their current role and potential role within their agency to be considered
- Agree to provide a report at the completion of the program that includes proof of course expenses, proof of course completion\ and benefits the program has to your career or to your agency.

Scholarship Scoring Guidelines

The IAFC Industrial Fire and Safety Section Board will judge each application in terms of:

- 1) Benefits to be derived from the scholarship for the applicant, the applicant's community and the fire, safety, or emergency response profession based on the applicant's essay.
- 2) Benefits to be derived from the applicant that are outside normal fire, safety, or emergency response professional staff development training.
- 3) Evidence that the applicant meets all the applicant criteria, has thoroughly completed the application form and submitted all of the necessary paperwork.
