

Cabin John Park Volunteer Fire Department

Strategic Plan, 2019 – 2024

Our Mission

The mission of the Cabin John Park Volunteer Fire Department is to preserve life, property, and the environment; to promote public safety; and to develop leaders among its volunteer members.

Our Vision

The Cabin John Park Volunteer Fire Department seeks to—

- Attain national recognition for exceptional delivery of volunteer services
- Exceed community expectations of our ability to protect life, property, and the environment.
- Promote the personal and professional success of our personnel through encouragement, training, and education.
- Remain a community-focused fire and rescue department through expanding public education opportunities, improving social connectivity, and ensuring fiscal sustainability.
- Anticipate the ways in which we can evolve to meet the growth and changing needs of the community we serve.

Our Core Values

- **Commitment to professional excellence.** We exhibit professionalism through pride, passion and dedication with intense preparation toward mastery over all which we have been entrusted.
- **Serving with integrity.** We value the public's trust and serve with integrity by upholding moral and ethical conduct at all times.
- **Responding with compassion.** We serve with empathy and humanity, sensitive to the emotional as well as the physical needs of our patients.
- **Teamwork.** Our members are a family. They come from diverse backgrounds, races, creeds, and sexual orientations, and each member values the contributions of every other member.
- **Life balance.** We believe in a healthy balance between our duties as first responders, our responsibilities as students and job holders, and our obligations to our families and ourselves in our personal lives.
