

#BeInclusive

Feeling like I'm
WELCOMED
and
ACCEPTED.

ACKNOWLEDGING

and accepting all
backgrounds,
creeds and
beliefs.

What does
INCLUSIVITY
in the fire service mean to you?

Knowing
I can **TRUST**
my crew and
they trust me.

You should feel welcome, safe, secure, free
from judgement, **COMFORTABLE** and feel
as though you are needed regardless of age,
sex, religion, or race.

Leading by core values of **HONESTY,**
INTEGRITY, CONSISTENCY and
COMMITMENT.

INCLUSIVE
membership
is necessary for a
successful department.

A fire
department
should feel
like **HOME**
to everyone.
