Questions for a New Fire Chief to Ask

You have been appointed/elected to the position of fire chief for your local fire department. Congratulations. In many cases the newly appointed/elected fire chief may experience challenges in acquiring knowledge about their organization. The 5th bugle on the fire chief’s badge carries significant responsibility and duties that must be carried out. Many times, the organizational challenges will not wait for the new fire chief to get up to speed. This guide has been developed to provide sample questions the newly appointed fire chief might ask.

What questions should you be asking your first day/week on the job?

Career/Volunteer Staffed Organizations

General Questions

• How much autonomy do I have in this position?
• What is the background of those who I report to?
• What is expected of me as fire chief?
• What is the background and history of those that I manage?
• What is the community climate in reference to the fire department?
• What are the strengths and weaknesses of the organization? Are the strengths and weaknesses shared? Are the identified weaknesses part of a plan to address?
• Are there any informal leaders in the department that need to be talked to/cultivated early on?
• What type of government oversees the fire department and who is in charge (fire district vs. village, vs. city; strong mayor or city manager type government)?
• What type of relationship did the previous chief have with the political leaders?
• What kind of fire prevention program does the organization have?
• What are the general public education initiatives of the organization?
• Has a community risk reduction plan been completed?
• Is there a strategic vision document?
  • Who created the strategic vision?
  • Is the strategic vision plan followed?
  • When was the strategic vision plan created/updated?
• Are there current mutual aid and automatic aid agreements in effect?
• Does the organization’s training program comply with:
  • OSHA
• Local policy
• Standard Operating Procedures
• Is the current training program adequate?
• How does the organization get along with other city departments?
  • Street
  • Council
  • Clerk
  • Law Enforcement
• Does the organization have SOP’s or SOG’s, where are they, and are they followed always or are they collecting dust on the shelf?
• What is the name of 2 of the next-door fire chiefs? Can a meeting be arranged with both of them to receive coaching/advice?
• Who is the county EMA Director? Setup a meeting to discuss - training opportunities - funding available - logistical support?
• Ask the question what is the role of the EMA Director in a tornado event?
  • Large fire event?
  • Chemical/Biological event?
• Where is the EOC?
