

EMS

EMERGENCY MEDICAL SERVICES SECTION

4025 Fair Ridge Drive, Fairfax, VA 22033 | Tel: 703-273-0911 | www.iafcems.org

BACKGROUND

Formed in 1989, the EMS Section is one of the IAFC's most active and largest groups with over 2,400 members. The EMS Section addresses fire service-based EMS issues, provides guidance and direction to the IAFC board and membership, and represents fire service-based EMS issues at the national and federal government level, including to members of Congress, federal agencies, and other special interest groups.

BENEFITS OF MEMBERSHIP

- Representation and advocacy at the Federal and National level, including submitting comments to Federal rulemaking process
- Liaison with other national fire and EMS organizations to address fire-based EMS interests
- Podcasts on demand on EMS Section website and also available on iTunes
- Discount to Fire Rescue Med (FRM) Conference
- Complimentary subscription to JEMS magazine
- Email alerts and monthly email blasts on issues of national significance
- Member specific resources such as the Orange Ribbon Report, SOGs, and more
- Exclusive access to Google group with other EMS members
- Direct access and communication with national fire-based EMS leadership
- And more...
